Test Cases

Test case 1: Navigation bar

Navigation bar switches between tabs just fine, a bit confusing when it stays on a certain tab but the button for that tab does not change to grey color

Test case 2: Calendar limits to 4 days from today

User can only pick today or 4 days forward

Test case 3: book seats and order food

Tere Boat	Nui Boat	Food

11/24/2022 📅	Number of Seats *: 2

Start Selecting

Please Select your Seats

Tere boat layout

🟩	Selected Seat		
🟥	Reserved Seat		Next
⬜	Empty Seat		

Date	Number of Seats	Seats	Item	Total
24/11/2022	2	A2,A3	peanut,milk,	$5

Seats:

- User can pick their desired seats by entering number of seats, choose empty seats, date then click on Next to complete
- XML is not implemented so reserved seat is not available

Food:

- After select the seats, user can order food

-

	Name	Price	Choose
	Peanuts	$2/ bag	●
	Milk	$3/ bottle	●
	Chips	$4/ bag	○
	Water	free	○
	Chocolate	$2/ bar	○

Confirm
